

IC 34-31-2

Chapter 2. Statutes Outside of IC 34 That Confer Limited Liability

IC 34-31-2-1

Content of chapter; listing not to create new limit or negate existing limit

Sec. 1. (a) This chapter contains a list of references to other limited liability provisions outside IC 34.

(b) Listing in this chapter does not equate to the creation of a limit on civil liability, and failure to be listed in this chapter does not negate a limit on civil liability recognized elsewhere in the Indiana Code.

(c) Statutes that limit civil liability may also contain exceptions to the limitation, therefore each statute must be consulted directly to determine the applicability of the limitation on liability provided.
